Business Arising out of Meeting Minutes:

Bus Tour to Moose Jaw on May 10th was a success. It was reported it was a great venue and a very good time.

Lloyd Morgan is looking for suggestions for Garage Tour locations and Guest Speakers. A tour at Lloyd Minion's shop 1711 Saskatchewan Ave followed by Dave Williams Body Shop, 1501 Ontario Avenue scheduled after the June 24 General meeting. Details will be emailed to members prior to the June meeting.

Tonight, after the meeting there will be a garage tour at Luc and Bonnie Vangool's 530 Highland Terrace. Pizza and Pop will be available. The address is 530 Highland Terrace. DIRECTIONS: When leaving the WDM parking lot head north to get onto Circle Drive East. Go east till the clover leaf and exit to head north on Circle Drive. Take the Taylor St. exit, head east to Acadia Dr. Turn left and proceed north to Highlands Crescent, turn left onto crescent and follow all the way down to 530 Highland Terrace. We have a few maps up here at the front.

Old Business:

Our Go-To-Guy for club apparel is Tim Roden, latest items: More ball caps have been ordered and are for sale. Does Tim was not present at tonight's meeting.

New Business:

Swap Meet:

We had our 7th Swap Meet, last Saturday April 19, 2025, admission numbers were down a bit from last year apx. 10%. But vendor stalls were sold out. The Swap Meet Committee presented the SAAC Executive with a cheque for \$5000.00 payable to our operating account. The Executive has been discussing where to allocate the funds. One option was to put it into a GIC for now, many of you may recall we had to pull \$5,000.00 out of the club's GICs a few years ago to pay for club expenses while COVID was on and we were not collecting membership dues.

Jordy had some information from Affinity Credit Union regarding GIC rates at the time of the meeting: 1 year 2.25%; 5 year 2.95% (rates subject to change)

If any members have any suggestions as to what our club should do with the \$5000.00, they should email Al with suggestions saacpres.willms@gmail.com. Al will take suggestions to the executive. If no suggestions are made and carried through, then as a default, we will likely put the \$5000.00 into a GIC for the time being.

Mike Van Grondelle informed the Executive that we were reaching our capacity on our website as to how many pictures can be posted. We were quickly approaching are limit under the current plan.

Mike proposed an upgrade to our Website to the Executive. At the last executive meeting the decision was made to upgrade our website with a 2-year subscription which was the most economical. It will give us much more capacity to post pictures and events. The cost was \$155.76 plus tax for the two years.

We are still looking for a location for the Corn Roast this year, please see Lloyd Morgan if you have suggestions.

The season for car shows at Senior's residences is starting up, Norm will be able to provide us with information as the season progresses. So far, these dates have been set up:
