SAACC Presidential Update

Hello everyone,

I hope this message finds you all doing well. It's been a little while since my last update, and I appreciate your patience as we've moved through a busy start to the season.

I'd like to take a moment to recognize two of Saskatchewan's premier indoor automotive events this spring. A big thank you to the Draggins Car Club for hosting their indoor show in Saskatoon on April 3rd and 4th, and to the Majestics Car Club for putting on their indoor show in Regina on April 25th and 26th. These events continue to set a high standard and are an important part of our province's car culture.

I also want to extend a sincere thank you to the volunteers who represented SAACC at our information tables. Your time and effort in speaking with car clubs and enthusiasts—sharing what our association does and how we support the hobby across Saskatchewan—does not go unnoticed. That kind of engagement is what helps keep our community strong and connected.

A special thank you to Barry Grant for his efforts at the Saskatoon show, and to Cynthia Frost at the Regina show. Without their dedication, we would not have seen the strong turnout and positive response at our tables.

The SAACC is pleased to recognize Allen Currie, recipient of the Director's Award at the Saskatoon show, for his 1917 Buick McLaughlin, and Don Forbes, recipient of the Director's Award at the Regina show, for his 1954 Chevrolet pickup.

As we move toward the summer show season, I encourage all clubs to stay involved, support one another, and continue promoting the passion we all share. Clubs are also encouraged to upload their upcoming car show posters, dates, and times to the SAACC website to help promote events across the province and keep our community informed.

A quick reminder that our upcoming AGM will be held on September 26th in Regina. We will be announcing the location details in the next Presidential Address, so please stay tuned for more information.

Lastly, I encourage recipients of this message to share it with their club members to help keep everyone connected and up to date with SAACC activities.

Thank you again for your continued support.

— Jarrod Stroeder, SAACC President

PS: If you were a previous recipient of the Directors' Award, please remember to carry it with your vehicle to all the Events.

5. **Business Arising out of Meeting Minutes:**

6. **Old Business:**

- a. SAAC members who won awards at the Draggin's Car show
Janet McGirr missed having her picture taken at the Apr 29 meeting.
Congratulations Janet.

- b. Update on Insurance for Dan Reid Prints –
- i. NAACC has been contacted to see if they will give quote through their insurance and the answer was NO. As most insurance premiums we did hear about were over \$1000.00 (But only if we had our Liability Insurance with them) we will not be insuring the pictures.
 - ii. The club will be issuing a letter to Ritch Gifford, releasing him for any responsibilities for the paintings that are being stored at his location.
- c. Policy on Donations Reminder – did not follow Club Policy on this at last meeting but must go before Executive before meeting motion. No doubt it would have been passed but we want follow our own policies. Ron Just reintroduced the Motion from Apr 28 2026 following the Executive meeting on May 5 2026. Exec approved the motion.

April 28 2026 Dave Brock made a motion that the Swap Meet donate \$600.00 to the Christmas Toy Run.

Seconded by Pam Watt

Carried by membership.

May 26 2026. Motion was re-introduced to the membership.

Voted and Carried by membership.

7. New Business:

- a. Executive has decided that because we have Robb Brown partially supporting the coffee and donuts that any money gained from 50/50 on the supported months will be used towards AGM Tickets, meals etc.

8. Upcoming Events: (CHECK AUTOEVENTS.CA for more information)

May 30

Thanks to all the Club members that came out...it was a great turnout!

10. Nuts & Bolts:

a. **Randy Pshebylo**, Randy.pshebylo@gmail.com (3)

- i. Club member, is looking for help identifying what model of car is in the attached photo. He is going to be using this photo in an upcoming publication. The photo was taken in 1927. If you have any guesses, please let him know.
- ii. (Note: My Model T friend, indicated that this vehicle is NOT a Ford)

b. W Alan Porter

(3)

- i. Greetings from Melfort & District Museum. I am a volunteer here and past Board Chair. I was talking to my friend Wilf Stringer of Martinsville a few months ago about our Ford Model TT truck. His recent death leaves me a bit uncertain where to turn for assistance/advice. The truck is partially rebuilt. The previous owner's father did the motor in the 1970'a, and our carpenter has repaired the cab roof recently and is working on the seat. We originally rescued it partly under snow several years ago, so may have missed a part or two, but believe most parts are with it. We have recently realized, however, that the rear wheels are missing, and we've been unable to find a set. I'm not sure what the size is, but the guys who work in the shop tell me they were larger than the ones we have. We do not have anyone with experience in restoring vehicles, so are wondering if you have anyone who might be willing to take a run this way and look the truck and parts over? I know there would be a cost. Wilf was going to do it but of course now that won't happen. I believe he had a friend with experience but am not sure if he is involved in your club. I will have to get his name, which I cannot recall. Any suggestions you have would be appreciated. It is taking up a fair bit of space in our (heated) shop, but since its a rather rare item we hate to put it outside in the elements.
- ii. You can reach me personally at duckesq@gmail.com, and by text or phone at (306-920-7224). I travel back and forth between Melfort and my farm home west of Biggar.
- iii. W Alan Porter Melfort & District Museum (306)752-5870

- v. Email melfort.museum2@sasktel.net

c. Ed Uebele eebs53210@hotmail.com (3)

- i. Ed Uebele, Essex, Ontario. I'm looking for the history of this car, I received no paperwork with it, but I believe it came from Sask. I will compensate for time spent if someone could dig deeper into any records. Thank you...
- ii. 1953 Chev 210 Sport coupe VIN # 3103748446

d. Fred Remillard 306-227-2756 aj.remillard@usask.ca (3)

- i. Fred has a working GE shop fridge to give away but you must pick it up. It measures 60" h x 23"l x 23"w.

e. David Williams 306.477.5060 Mobile: 306.212.8807 (3)

- i. david@truecoloursrestos.ca 1501 Ontario Avenue, Saskatoon
- ii. We are preparing to do SGI collision claim repairs on a 1960 Hillman Minx Series Three. Does anyone have any leads on parts? I doubt we will find any new or aftermarket supported parts in the entire known Universe. A parts car or used parts, preferably already in Canada, would be a golden find!
- iii. We are in search of:
- iv. Right quarter panel

- v. Right quarter panel trim
- vi. Trunk lid
- vii. Trunk trim
- viii. Rear bumper
- ix. Please advise if you have any clues for news on these parts.
- x. Thank you sincerely,

David Williams

- i. Is selling his oxygen/ acetylene small tanks, hoses and cutting torch included. Selling for \$500 . The buyer owns the tanks. Will deliver to the city only.

g. Lloyd Minion (306 221-4249) (1)

Wanted roof and body wood kit for 1928 model a two-door sedan.

h. Gail Graves on behalf of Ray Graves. kellyjanzen@sasktel.net (1)

<https://www.kijiji.ca/v-classic-cars/saskatoon/1962-corvair-monza-convertible/1736316686>

1962 Red Corvair Monza convertible

“This 1962 Corvair Monza convertible needs a new home where it will be driven and enjoyed. It was painstakingly restored and then stored for nearly 25 years. The owner has decided to downsize his collection and wants someone else to enjoy this unique car. Prior to storage the bodywork and paint was done, along with almost everything else, including a new convertible top and new interior, carpets, etc.

The owner insists on his cars being fully reliable and roadworthy, so the engine was completely professionally rebuilt in 2026. New cylinders, pistons, camshaft and cylinder heads redone with new valves, all new bearings, seals, linkages, etc. Other brand new parts include master cylinder, fuel tank, electric fuel pump and tires. Recent engine work invoices total over \$10,000.

If you're looking for a mechanically sound and very unique summer vehicle, and to feel the wind in your hair, maybe this little red convertible is the car for you.

The price is \$20,000 and the price is firm. Sorry, not interested in trades.

If interested you can email kellyjanzen@sasktel.net to set up a viewing. Thank you.”

i. **Paul Greening** 306 353-2000 pwgeening@gmail.com

(1)

There are new tires and original MGB rims in the later photos. The MGB was owned by a family in Yorkton and they did the original restoration. It has overdrive which is a good feature. What is left is cosmetic or detail work. I have a new dash and glove box. Seats original and new upholstery. The MGB was tuned up by Bob Forward of the British Car Club and appraised at \$10,500.00. It shows about 43,000 miles but this may not be correct. Please call for additional information or a test drive. Price \$7,500.00.

j. **Paul Greening** 306 353-2000 pwgeening@gmail.com
1934 Franklin 18C Olympic Sports Coupe

(1)

1934 Franklin 18C Sports coupe
