The Dusty Wheels show was held in Rosetown on Sunday, September 25th. Just like previous years, the show was a success.

Osler Show & Shine was also held September 25th. It was sponsored by Pete Thiessen and Vintage Auto Sales.

HOBBY SHOW: November 11th – 1 pm to 10 pm & November 12th – 9 am to 6 pm Due to the earlier times on Friday, we will need set up help from 7 am to 12 noon. Wayne Oscvirk spoke about the show and said that a lot of entries in different categories were at or slightly above last year's showing. However, due to the early Friday time, gun entries are about half of what they are usually. Due to the smaller gun entries, the floor plan may have to be altered. There will be more radio advertising this year as well as the Saskatoon Sun. On the first day of the show, there will be on site radio broadcasts from 3 pm to 6 pm. During the show, there will be a \$300.00 door prize and a patron interest survey given out. This will give a better insight into possible improvements for future shows.

-Wayne will need help in follow up phone calls to the arts and crafts people as well as any educational demonstration ideas. Please call Wayne at 668-4374.

-Norm Mowles is in charge of car wrangling . He would like to have 15 vehicles preferably not entered in the show before or for a few years. Please call Norm at 492-2237 or email at nemowles@sasktel.net.

CURRENTLY ONLY 4 CARS! NEED MORE VEHICLES, CALL NOW!

-Besides set up, help will also be needed manning the admissions gate as in past shows. A sign up sheet will be passed around at the October meeting.

We received a thank you letter from the Royal Canadian Legion for the 4 convertibles used in the Exhibition parade to carry the veterans. Many thanks to Joe Denis, Jack Harris, Ernie Christensen and Don Erlandson.

CORN ROAST!- took place Sunday September 11 at Orville Dunlop's storage facility in Dalmeny starting at 2:00 p.m. 62 people came out and enjoyed excellent corn and ham steaks as well as delicious desserts donated by Orville. Due to the weather, the party was indoors at Orville's awesome garage. Orville also donated the chairs and tables as this was his Grand Opening. Thanks to the Draggins Car Club for the use of their BBQ. The poker run started at the Costco parking lot and finished at the corn roast.

50/50 draw was won by Hubert Britton. The amount was \$51.00.

A motion to adjourn was M/S by Luc Vangool and Bill Fraser. President Greg adjourned the meeting.

Rumour Mill-

- Don Erlandson was in his home-town of Cadillac when some of our members came by in the parade. Roy Dietz's International truck stalled right in front of Don. Don tried to bribe Roy and if he had come up with enough money Don would not have taken pictures of the truck. Don states that he would have also taken a picture of truck with the hood up but at the time he was not at his usual “mean” stage! Don sent your humble secretary the two photos and I will ensure the “incriminating” evidence gets to Roy so nobody is the wiser to what took place.
- Our club won the inaugural “club participation” award at the Confederation Mall Show & Shine Saturday August 13. We can thank the British Car Club for convincing the show organizers to institute this award and “allowing” us to “steal” it from their club!

**Don's Cerebellum Ticklers: I met a lady once who drove me to drink and I didn't even have the courtesy to thank her!*
